DEAR TRAVELER: Please take the time to read thoroughly the following itinerary as many important details and recommendations about the program are explained here. If you should have any questions or concerns after reading this itinerary, please do not hesitate in contacting one of our travel specialists, we will gladly provide you with further information and make any recommendations to make your trip the most suitable possible.

DAY-BY-DAY TRIP ITINERARY

Day 1 Arrive at **Baltra** Airport / Transfer Santa Cruz Island: Visit Highlands (Giant Tortoise Center)

Our English speaking guide will be waiting for you at the airport in **Baltra**, who will then take you to the port of **Puerto Ayora** (Santa Cruz Island).

Afterwards, we will take a short rest before making our way to the **Highlands of Santa Cruz**. Here we will have the amazing opportunity to observe the famous **Giant Tortoises**, also known as **Galapagos**, in their natural environment. It is from these that the Islands get their name from. Get the chance to observe Galapagos Finches, Bird Wizards, and endemic vegetation such as Escelacias forests and Matazarnos. Return to Puerto Ayora towards the Dive Center to try on the diving gear and hear some instructions.

Accommodations at the **hotel class of your choice.**

Day 2 FULL DAY DIVING EXCURSION (2 immersions)

After breakfast, meet at **Scuba Dive Center** at 7:20AM or the hour established the day before. You will hear some last instructions before departing via sea and land to the diving site. After a weight check you will go for the **first immersion** (20 - 25 m deep). A surface interval for one hour is scheduled to have snack-lunch and enough energy for the **second immersion** (depth 15 -23 m). **Depending on the dive site**, you will be able to observe: **sea lions, Galapagos sharks, white tip reef shark, hammerhead shark, mobulas, turtles, reef fishes, sting rays, eagle rays, Galapagos eel, barracudas, sea horses, barracudas, sea lions, variety of invertebrates and coral walls.** Some wildlife can be observed during surface interval as well. We will have a snack before returning to Puerto Ayora around 16:30pm to get ready for our diving next day.

Accommodations in the **hotel class of your choice.**

Day 3 FULL DAY DIVING EXCURSION (2 immersions)

After breakfast, meet at the **Scuba Dive Center** at 7:20AM or the hour established the day before. You will hear some last instructions before departing via sea and land to the diving site. After a weight check you will go for the **first immersion** (20 - 25 m deep). A surface interval for one hour is scheduled to have snack-lunch and enough energy for the **second immersion** (depth 15 -23 m). We will have a snack before returning to Puerto Ayora around 16:30pm to the hotel.

Accommodations in the **hotel class of your choice**.

Day 4 FULL DAY DIVING EXCURSION (2 immersions)

After breakfast, meet at **Scuba Dive Center** at 7:20AM or the hour established the day before. You will hear some last instructions before departing via sea and land to the diving site. After a weight check you will go for the **first immersion** (20 - 25 m deep). A surface interval for one hour is scheduled to have snack-lunch and enough energy for the **second immersion** (depth 15 -23 m). We will have a snack before returning to Puerto Ayora around 16:30pm to the hotel.

Accommodations in the **hotel class of your choice**.

Day 5 FREE DAY or guided day trip: Option 1 or 2 (extra cost)

In your last day you can either choose a **FREE DAY** or ask us to arrange for a guided visit to Charles Darwin Station in the morning and Tortuga Bay in the afternoon or a navigable tour, for an extra cost.

Option 1: In the Charles Darwin Research Station you will find a large variety of tortoise's species coming from each island on the archipelago. You can also listen about the ongoing conservation efforts directed at preserving the Giant Tortoises, as well as the environment of the archipelago as a whole. The afternoon hike to Tortuga Bay beach could be the perfect ending to your trip. Abundant wildlife inhabits the place and the view is astounding as it is considered one of the most beautiful beaches in Galapagos.

Option 2: A full-day navigable tour. The destination can be **Santa Fe, South Plazas, North Seymour or Bartolomé Island**. The activities will include hiking, snorkeling, swimming and breathtaking sightseeing. After land and sea excursions, we will return back to the hotel in Santa Cruz.

**** Note **** If you choose either Option 1 or 2, **please let us know before booking your trip**. This way we can arrange and check availability in order to arrange your itinerary in the best way possible.

Accommodations in the **hotel class of your choice**.

Day 6 Transfer out Baltra Airport - Goodbye Galapagos!

After breakfast, the guide will pick you up to guide you to Baltra airport so you can catch your flight back to the mainland to either Quito or Guayaquil.

**** NOTE **** *Itinerary and diving sites are subject to change without prior warning depending on seasonal changes, weather conditions, and adjustments in policies set by the Galapagos National Park, and other unforeseen circumstances that may arise.*

IMPORTANT REMARKS:

- ❖ **HOTEL SELECTION:** The hotel selection depends on the category of hotels you choose. We will indicate to you which hotels are available for the dates of your trip. Hotels are categorized in: Economic Class, Tourist Class, Tourist Superior Class, and First Class. All the hotels that we work with have been closely inspected by us. Nature Galapagos & Ecuador is the proud owner of the Hotel San Vicente Galapagos, and La Laguna Galapagos, located on Isabela.
- ❖ **AIRFARE NOT INCLUDED:** The price of the tour does not include air tickets. We can help with booking your ticket. You may book flights on your own as well. **Please note** on what island you will need to arrive and leave from, please try to book your arrival in the morning (before 11 am) and your departure in the afternoon (12 am or after) so that you will not miss any part of the tour. You can book your flight through either TAME, AEROGAL, LAN. TAME (recommended).
- ❖ **GUIDES:** You will have local guides for each island and sometimes one for each activity. The guide will accompany you throughout all excursions and visits, give explanations and education on their knowledge of the islands, flora, and fauna, and coordinate the activities each day. In reference to lunch and dinner, the guide will also indicate which restaurants will be selected for the meals, but he will not go with you to the restaurants o during mealtime. Guided activities end after each excursion. Distances are short in the Galapagos, and as and it is safe to walk around any time of day with normal precaution. We work with local and independent guides certified by the Galapagos National Park - if you feel that their guidance does not meet your expectations, feel free to leave a complaint at the National Park Direction, if possible at the time of the tour, to help improve the quality of service in the islands.
- ❖ **LUNCH AND DINNER:** These have been excluded from the program. Only breakfast (which will be served either on your hotel of stay or the restaurant specified by the guide) and a box lunch (served only during the diving excursions) are contemplated in the cost of the tour. As for lunch and dinner during your days in land, we can gladly recommend a list of

restaurants you may use. The cost of the transfer between the hotel and the restaurants is not included.

- ❖ **PUBLIC AND DIVING SPEEDBOATS:** We recommend that you take a seasickness pill if you are sensitive to seasickness before all navigations. Also carry small plastic bags in case of seasickness. The speedboats are not completely covered so please make sure that valuables and electronics are stored in a plastic bag, **this is a Public service out of our control**. Dive speedboats are fiber glass boat measuring 10 m long and 2 m wide approx. with capacity of 8 -12 passengers. The **guide will not go with you on the speedboats** but a new guide will greet you on the other side. A water taxi ride is sometimes required (depending on the tide) from the dock to the speedboat; the cost is **1 USD** per person and **per ride**. Please, make sure you bring cash in small denominations in case this expense is needed.
- ❖ **SCHEDULE OF EXCURSIONS:** The schedule of the excursions will be coordinated and determined locally through the guide and those responsible for the operations. The guide will indicate what time each activity will start. The transfers between islands on the public speedboats are the only activities that have fixed departure times.
- ❖ **DIVING CERTIFICATE:** only certified divers are allowed to do this program – a diving license is required at the time of the booking of this tour. Minimum age required for diving is 13 years.
