He will then take you to **Puerto Ayora** (Santa Cruz Island) for lunch. Afterwards, the guide will lead you to the **Public speedboat** towards **Isabela Is.** (departs at 15:00) for a two and a half hours ride. After arriving at Isabela and after a brief rest at the hotel, at the Isabela Island dock, one of our representatives will pick you up to transfer you to the hotel of your choice. *After a 45-minute journey, we'll have arrived at our destination, on the outskirts of the Sierra Negra Volcano. Did you know that it's 1,124 metres (3,687 feet) above sea level? We'll explore the western side of the Sierra Negra basin in the direction of the famous Isabela Island sulfur mines.*

**Cabo Rosa aka. Los Tuneles.** *is perhaps one of the most beautiful sights in the archipelago. Continuous volcanic eruptions petrified into tunnel-like lava formations right in the middle of the sea, and crystal clear turquoise water allows an amazing view of marine vegetation and playful sea lions. The tour begins early at 8:00am via speedboat and the first stop is a small islet in the middle of the ocean, home to pelicans, blue-footed boobies, and sea lions. **Finados** snorkeling site is the next stop, where you can swim next to sea turtles, **Tintoreas** sharks (endemic to the islands), trumpet fish and surgeonfish. With some luck, eagle and golden rays will come to this site too. Getting to Los **Tuneles** will take around 1 ½ - 2 hrs. Once there, the speedboat will navigate through various spots in and around the Lava Tunnels. Here you get the chance to do some more snorkeling and enjoy some short walks while observing the landscape and wildlife inhabiting the area. **A box lunch** on board will be provided for this day. Dinner will be served at the local specified restaurant.*

**IMPORTANT REMARKS:**

- ❖ **HOTEL SELECTION:** The hotel selection depends on the category of hotel that you choose. Once you choose the hotel class of preference, we will specify to you which hotels are available for the dates of your trip. Hotels are categorized in the following classes: **Economic Class, Tourist Class, Tourist Superior Class, and First Class**. All the hotels we work with have been carefully chosen by us after close inspection. Nature Galapagos & Ecuador is the proud owner of the *Hotel San Vicente Galapagos* (Tourist Class), and *La Laguna Galapagos* (Tourist Superior Class), both of which are located on Isabela and for both the quality of service can be assured.

- ❖ **AIRFARE NOT INCLUDED:** The price of the tour does not include air tickets. We will gladly help your with the booking of the ticket from Quito or Guayaquil to Galapagos. You may also book the flights on your own if cheaper. PLEASE TAKE INTO ACCOUNT in which island you will arrive and leave from, and if you choose to book your own flight please try to book your arrival in the morning (before 11am) and your departure in the afternoon (12 pm or after) so that you don't miss any part of the tour. You can book your flight either through LATAM OR AVIANCA.
- ❖ **RESTAURANTS:** We work with both hotel and local restaurants alike for breakfast, lunch, and dinner. This also depends on the chosen hotel class, as some hotels have restaurant services, **in which case food will be served on the hotel restaurant.** Meals are served in the "meal of the day" style. In case food is not served at the hotel, the guide will specify the chosen restaurant **(no transfers to and from the restaurants to the hotels are included in the cost of the program. However, distances are all at a minimum walking distance in Galapagos).**
- ❖ **LUNCH AND DINNER** during our tours consist on the meal of the day (not a la carte). Most provisions are bought in form the mainland to Galapagos; hence, a limited variety of food can be found. If you require vegetarian meals let us know ahead of time so we can make all arrangements necessary within the possibilities
- ❖ **GUIDES:** We organize excursion with local naturalist guides for each island (and sometimes for each activity). The guides will accompany you throughout all excursions, give explanations of the islands (flora and fauna) and coordinate the activities each day. Regarding lunch and dinner, the guide will specify the restaurant designated but he will not accompany you during this time. The guide's activities will start and end with each daily excursion. The guide will not go with you on the speedboats between islands either. We work with local and independent guides certified by the Galapagos National Park - if you feel that their guidance does not meet your expectations, feel free to leave a complaint at the National Park Direction, if possible at the time of the tour, to help improve the quality of service in the islands.
- ❖ **PUBLIC SPEEDBOATS:** We recommend that you take a seasickness pill before each ride between islands if you are prone to seasickness. It is also recommended that you carry small plastic bags with you in case of seasickness. The speedboats are not completely covered so please make sure that valuable objects and electronics are stored in a plastic bag. **The guide will not go with you on the speedboats** but a new guide will greet you on the other side. There are no services onboard as the speedboat space is limited and the journey is relatively short. A water taxi ride is sometimes required (depending on the tide) from the dock to the speedboat. ***This is a Public service out of our control.***
- ❖ **SCHEDULE OF EXCURSIONS:** The schedule of the excursions will be coordinated and determined locally through the guide and those responsible for the operations. The guide will indicate what time each activity will start. The transfers between islands on the public speedboats are the only activities that have fixed departure times.
